Hollywood, FL 33020

PLEASE READ ALOUD AT YOUR NEXT REGIONAL MEETING

December 17, 2016

Dear Fellow Members,

The East Coast Convention of Narcotics Anonymous 20 (ECCNA 20) was a huge success! The convention was hosted by the Tri-State Region and held at Robert Morris University in Pittsburgh PA. The theme for this year's convention was "Dreams Really Come True" and was brought to life by the Host Committee and volunteers.

In addition to carrying a message of recovery, ECCNA 20 was able to generate enough funds to buy 1,510 Basic Texts. A total of 26 cases will be distributed to the jails and prisons in the Host Region . We will be distributing 34 Basic Texts to each of the remaining 23 regions that make up the East Coast. Of these 34, 29 will be English and 5 will be Spanish. Also enclosed is a financial statement from this past year's convention. We will be sending the books soon and hope they will find their way into your jails and prisons.

We are grateful to be fulfilling our primary purpose which is to put on an affordable convention, celebrate recovery and distribute our Basic Text into jails and prisons. For more information about ECCNA, please visit our website at www.eccna.org. You can find out what regions make up the East Coast, how the convention did last year, as well as keep up with details about our upcoming convention.

ECCNA, Inc is proud to announce that the United Shoreline Area in Connecticut were the winners of the bid to host ECCNA 21!! The convention will be at Connecticut College on June 23-25, 2017. Registration is available on the website.

One of our goals as an Advisory Board is to have a representative of each region on the East Coast on our board. We have enough open positions on the board to accommodate each region. Please consider nominating a member of your region to serve on the Advisory Board. The requirements, bylaws and the nomination form are also available on our website.

Should you have any questions, please feel free to contact us.

In Loving Service,

ECCNA Advisory Board
