TRUSTED SERVANTS REPORT

Chair Report: HELLO FAMILY,

I don't have much to report today. I was happy to attend our GSR ASSEMBLY which is always rich in information? I have other service requirements on Sunday mornings and so, my aim is to return later in the day. This will be my last GSR ASSEMBLY as your chair as I roll off in June.

It has been a difficult year of transition, but we have adjusted and continue to try to the best of our abilities and resources to meet the needs of our Region,

ILS

Vice Chair: Greetings,

The Vice- Chair is currently pro-temp of H&I and Speaker Jam Chair. The Vice-Chair was present at the Subcommittee meeting held March 20th, 2021. Topics discussed were to address Areas that have not been present at the RSC New River, Outer Limits, and Gateway to Freedom these requiring according to Policy to check or remove these Areas. H&I it was suggested that I reach out to the H&I Chair's of each Area see who would be willing to participate in coming to the subcommittee meeting choosing a topic of focus so that we can began to exchange ideas or render help. I encourage RCM's to encourage your H&I Chairs to attend the Subcommittee Meeting. Greatly appreciate Joe B & Rachel for showing up and informing the body of how H&I is working in their Area.

The first Archive meeting was held at 7pm on March 23, 2021 Joe B. Richard S. and Antoinette B. The meeting opened with the Serenity Prayer we discussed the following: 1. We will meet the 4th Tuesday of every month circulate a flyer to encourage participation 2. Joe B. will send each a copy information he has compiled so far so we can begin to sort through it 3. Do we want to have digital and hard copy of the archive 4. Antoinette B. voted in as the Secretary of the Archive group. Joe B. also shared with the group his techniques to obtain information as well as different groups who could also be a great resource while there is some documentation we are trying to obtain what we can of the missing pieces to ensure accuracy and transparency. The group ended at 8pm closing out with the Serenity Prayer.

In Loving Service,
Antoinette B

RD Report: Good morning RSC.

I was unable to attend the March 13, 2021 open webinar on the topic; How virtual meetings are connected o the service system due working that weekend. Sherry did attend this webinar. I did not attend the March 22, 2021 open webinar on the NAWS Update.

I attended some parts of the **Florida Service Symposium** when I got off from work. On Thursday I was able to catch the opening professional roundtable and heard the Mayors Deming's speech about NA. Tom Hall spoke in absence of the mayor. This was the first virtual FSS.

I attended the US meeting of Zones tail end on April 11, 2021. I did not get enough to share about.

GSR Assembly April 17, 2021 was attended by a high count of about 32 members including presenters. The executive reports were 1st followed by Planning overview by David H (ad hoc Chair) presentation and breakout rooms discussing what we as a region want in phase 2 of our planning efforts. We had 3 breakout rooms. Next were a presentation given by Tom K AD RGR on H&I today Virtually. Next were presentation by Linda W H&I and Paul H PR on H&I today – Media and Tablets. Next was a Presentation – overview of Canadian Assembly by Roxanne V vice chair and Genina A. Next were a presentation on Local PR efforts given by David W PR Coordinator AHA. Next were a presentation on Fellowship Development by Kris R. NZF FD Chair. Next were NAWS update by Sherry V RDA2 CARNA. Next were Autonomy Zonal Forum update by Merle S secretary AZF. Lastly were an update on US Zones by Dennis M Chair NEZF. The information that was presented were from the Regions request from the Planning results survey.

Conference Participant Webinar April 17, 2021 I attended this webinar yesterday as I had leave the GSR Assembly because they both fell on the same day. At this webinar the focus was on small groups discussion on how to gain the overall perspective. Two topics for discussion will be **the type of information to collect**. What are the things you would like to know? What are the questions that you think we should be asking and **collecting information on regional or zonal level**? How do we plan to collect this information? Is the region in good contact with the member Areas? Is the region meeting enough to gather that information hat way? Do you use a survey? Do you have any tips for other CP's? There were approximately 190 participants including interpreters, Naws staff, World Board members and XWB members who help take notes in the breakout rooms. Anthony gave an update on financials as well as literature sales and member contribution. Most expenses are under budget except legal expenses and in house production along with allocated expenses for accounting and technology. Literature sales are rising month to month but still nothing that we can use as data points for the 2nd year budget. (quoted by Anthony) Fellowship contribution is steadily rising. 750 members recurring contributions to date. The QR code has been fixed for contribution. Na.org/virtual under World services contribution header. There were 14 breakout rooms.

RDA Report Since the last RSC.

Starting Feb 19, I participated in an Autonomy Zonal Forum (AZF) Service task group that met about five times looking at grassroots beginnings of Fellowship development and PR for the AZF. With information from a survey that has been opened for a couple of months and is still open until tomorrow and meeting with the Northeast and Southeast Zone we will be bringing our report and recommendations/proposals on Monday evening at the Virtual AZF Meeting 7:00 Zoom ID: 872 1211 6010 // Passcode: 121212

Feb 19th, 2021 to Feb 22nd, 2021 Since I had never attended an **Asian Pacific Forum**, I took advantage of it being virtual. It started at 11:00 pm Est and ended at 3:30 am I hung in there until the last day and they were still going at 4:00 am but it was interesting to hear reports from na communities from that part of our globe. They have a website just google Asian Pacific Forum na to read about some of their service efforts. The efforts to strategic planning target persons were very enlightening. They also have software for on-line elections that was interesting.

Mar 7, 2021 attended Northeast Zonal Forum bimonthly business meeting. Since their service effort are further ahead of the AZF attending helps to learn what and how they are doing service and their beginnings. They are also recognizing AZF members as collaborators with them.

I was asked to participate in a little troupe made up of members throughout the US that puts on a skit around **consensus-based decision making** cbdm. We did our first one for our zones 2-day in Jan and again in March for Sussex UK fellowship. We have an encore for an area on May 2nd. It fun and informative.

March 13, 2021-How virtual meetings are connecting with the service system. All this information can be located at na.org/virtual with minutes of this webinar. Any problems find it please email your delegate team at carnadelegateteam@car-na.org

March 14, 2021 and April 11, 2021 attended the **meeting of the US Zones hosted by the NEZF and then the Midwest Zone** I believe. I have been working on the workgroup for the vision and purpose that Dennis reported on yesterday. The Vision and Purpose statement is complete and reported on at the April US zones meeting. It also contains a cover letter and will be sent to all the zones for the delegate to bring back to our regions.

March 20, 2021, I attend the **Naws Webinar on Current Activity**. This webinar was open to all members of the fellowship a first. The info was like what I reported yesterday, and Randy has more current information from yesterday's webinar.

I have been attending the monthly **NEZF FD** and serving with the **online planning task group**. I had requested through their service request portal video on planning after having discussions with some other members. You saw yesterday the first of about four online planning tools videos/modules planned. We met every other week.

March 25, 26, 27 and 28 attended parts of the Florida Service Symposium. On Thursday I attended the Professional workshop.

Started off with a prerecorded talk from **Jerry Deming's Mayor** of Orange County, Jerry Deming's who is a longtime supporter of Narcotics Anonymous.

They had a **Sheriff Lemma** from Seminole County who is such a friend of NA and on the fight for the addiction crisis. He collaborates with leaders across the State to publish a white paper on Best Practices & Strategies to deal with the Opioid Epidemic. His work is amazing and he believes in us.

Thomas Hall, PhD, is director of the Orange County Government Drug-Free Coalition. In this role, he oversees Orange County Government Prevention, Treatment, and Recovery initiatives and advises Mayor Jerry L. Deming's on relevant policy issues.

John Seeland's is currently the Chief Operating Officer at Crossroads of Southern Nevada, a treatment center accredited by The Joint Commission where every addicted human seeking recovery is accepted regardless of ability to pay.

There were many other workshops and they are working on tapes of them. When they are available, we will do an eblast to rcm's and admin of the link. I registered so I should get an email.

The one workshop I attended that I had not seen as a topic for a while was predatory behavior facilitated by Steve R world services FD and Tana wb member. It says Jorge wb but he didn't facilitate. Emphases on how to make our meeting safer for all our members and each members' responsibility to that endeavor.

On March 17 and April 15, I attended our **Ad hoc Planning committee**. We discussed yesterday's presentation.

As always please contact your delegate team at carnadelegateteam@car-na.org

Policy Chair: Good Afternoon,

Policy has an annual report which includes a revised version of the CARNA Guidelines. Upon review there has been no current motions to make any changes to Policy. Graphic changes to the guidelines were made such as the year on each page has been updated to reflect the current year, as well as the front cover was spruced up to reflect a more inviting and more invigorating booklet. . The revisions are ready to put on the website after approval of the 207th RSC it also needs to be decided if paper copies still are desired to be printed however since we are currently virtual and will be accessible via the CARNA website so they can be printed if you need hard copies. Piedmont: Hey family,

Piedmont area ASC meetings both took place for March and April, quorum was met. I was unfortunately not able to attend the April ASC because of a family event. Currently we have 19 Home groups and now are up to 6 in person meetings with more looking to open back up soon. We do have online meetings occurring daily and both the online and in-person meetings can be found on our website piedmontvana.org. I've attached the special events committees flyer for the Regional Speaker Jam! They continue to have meeting prepping for the event! Hope to see everyone there! We begin a motion to allocate a budget for our area to buy its own zoom subscription. We as an area had begun using one of our members personal Zoom account for convenience at the start of the pandemic. This motion will remedy that.

Things are well in the Piedmont area.
