TRUSTED SERVANTS' REPORTS:

11:32 <u>Chair Report</u> – Antoinette B.

Happy Holidays to All. I would like to extend a warm welcome to those that are new. We are here to help if you have any questions or concerns. Please feel free to raise your hand to be recognized. There are a few things I need to cover. Randy reached out to me regarding a delivery of Basic Texts from the East Coast Convention of NA. We had decided to try to work on distribution at the Subcommittee on November 19th however we had low attendance so we will hopefully be able to come to a decision about how we will ensure each Area receives theirs. Also, we have 12 that are Spanish Translation. I am concerned about our Regional Zoom Meeting. I have received notifications of meetings taking place that I know nothing about. For example, December 15th at 6:30pm, I received a notification that New Hope had joined My Meeting. If anyone has any information about this, please enlighten this body. We have received updates from the Minnesota NA. I will forward them to the secretary along with my report. I still have to make arrangements to pick up the remaining materials from our previous Treasurer. I will inform the body when that takes place. I have nothing else to report. Thank you for allowing me to serve.

In Loving Service

220th RSC Treasurers Report

Good afternoon,

Sorry I could not attend this weekend's activities as I am fulfilling a service commitment in Minnesota as a Sunday morning main speaker at their convention that was set during Covid lockdown. I have good news to share as I have been able to receive all that was.

In our mailbox through Greg G. a former treasurer whose name is still on the post box from years ago. He was nice enough to stop by and get everything as he was in the area. What we found however is that Burrell P (deceased) name is on it and William H as well. We will need the chair to write a letter letting them know the circumstances so that they all can be removed, and my name added. We must do a better job on our rollovers to remove names from accounts. A new Zelle account has been added to our bank account so that those wanting to donate that way can. All accounts that should be on auto debit are now attached accept there seems to be some issue with Twilio. The PR chair has been receiving those charges as the second payor (card) on the account and I have reimbursed him and will again. I need to see why it keeps bouncing. Our current balance is \$22,868.45.

Projected World Donation is \$4,201.70 and Prudent Reserve \$18,666.75.

I am attaching the excel report.

Carna Treasurer Annual Report

It has been my pleasure though not without difficulty to keep the treasury current this term. We finally passed a budget (a little late) due to my not attaching a motion to bring back a vote (lesson learned) but it is in place now. It was hard to forecast as we don't have real numbers to track as a result of being out for COVID and the donations being down. Our budget for the year is currently 37,130.00. It is a heavy year of travel for the Delegate team as it is a conference year and so there will be a bit more expense to the Region than usual in order to fund them. Out of the three-member team we are only sending 2 delegates and will fund them both. I spent a lot of time trying to get access to our post Box to retrieve checks sent there for donation and had asked that all donations be sent to my address until we could gain access and I can forward the mail to me. The post box is currently an hour and a half away. One of our former treasurers Greg G. who lives in my area was in the area and kindly picked the mail up for me. He would like his name removed and we found that Burrell P (deceased) and William H.'s name is on this box and needs to be removed.

We are asking that the chair write a letter so that we can add my name and clean this up. I have worked with the bank and found out why the Zelle account was bouncing (New account set up) and it has now been reattached. All auto accounts have now been reattached but for some reason the Twillo account is rejecting the card and is being picked up by the secondary card that belongs to the PR chair and I have been reimbursing him. All payments are up to date and the current balance in Our account is \$22,868.45. All checks from the mailbox have been deposited and I will make a donation to Naws next week.

<mark>11:48</mark> **Regional Delegate Report** – Randy D.

Good morning 220th RSC,

I attended the last WSC Conference Participant webinar on April 1st, 2023. This webinar was information dealing with the Orientation of the 2023 World Service Conference. We learned about a WSC portal that will have all our documents in it. We will not get paper handouts like we did in the past. We have been asked to bring a device with us to access the portal. We are required to wear masks in the risers and break out rooms as in person participants. The Conference report has been posted at na.org/conference. The annual report has been posted at na.org/ar. The WSC starts on April 30, 2023, and ends on May 6, 2023. WSC Unity Day will be April 29, 2023, and May 6, 2023, with NAWS open house, workshops, speaker meetings and world market. NA history Sunday April 30, 2023, and May 1, 2023. Speaker meetings and History starts at 7:30 pm PDT zoom ID 822 5263 5653 passcode: 1953. At WSC 2023, the plan has been set from 9 am until 5:30 pm PDT each day of the Conference. A look at this plan is in the Conference Report.

Thank you, Central Atlantic Region, for approval of funding the RD expenses to WSC 2023. I have talked to Elaine at World Services who told me to bring a check for my flight arrangements with me to the

conference. The flight ticket cost \$672.80 and that includes travel agency charge of \$35.00. My room will cost \$827.46 plus \$600.00 per diem and the only other expense will be luggage check x 2 will be about \$140.00 total estimation of \$2,240.26. The budget for this trip is \$2500.00.

I helped facilitate the GSR Assembly yesterday as part of the Delegate team and all our goals for this event were successful. Attendance was low. I counted 21 in attendance at one point. We now have a tally of Central Atlantic votes for the CAR/CAT motions.

The AZF will meet on Monday April 24, 2023, at 7 pm EDT virtually. Zoom ID to come. All are welcome to attend and help our Zone.

I also attended the US Meetings of Zones on April 2, 2023.

I have served as the RDA2, RDA and now the RD for this Region. I have wanted to throw the towel in several times in my service to NA with this position. I have on the other hand been very rewarded for serving NA in this position. I have participated in 3 WSC thus far and now, going to my 4th WSC. All I can say is gratitude, gratitude, and gratitude.

Regional Delegate Alt. Report April 16, 2023

Hi Everyone

Feb 19th and March 18th April 2nd CAR/CAT workshop and the National Website Task Group

Feb 20th AHA PR Task Group and convention

Feb 26th Multizonal task group finish H&I working on finished, tweaking another on Effective Communications: Practical Application should be available soon, working on IDT: Attracting Members to Service, What is a zone and managing a survey asking for input from everyone. <u>https://www.surveymonkey.com/r/F63KDRV</u>

March 4th attended the Conference Participation but I didn't attend the Orientation webinar on April 1st but it was recorded and information (minutes) sent out since we have a lot more do's and don'ts as for as health/covid precautions and it can be a little crazy to the point if one of us gets sick would be quarantined in a different room.

March 8th served on the SEZF PR week task force. Flier completed.

Update on the Collaboration Meeting of US Zones met on April 2, 2023, hosted by the Rocky Mountain Zone. I believe there were 7 zones in attendance.

• We have Created survey asking Does your region support the zones of the US forming a service body to collaborate? Creating a spread sheet of responses. Our members voted yes.

- Helped in the creation of our first US website: https://usa-na.org/ and email: uszones.na@gmail.com this is like a draft it is temporary to see how our members feel about it. Please check it out. We have a one year hosting and domain site that costs approximately \$58.00 at this time. Members chipped in and got it paid.
- Meets every three months and I have attend all including task groups for collaboration, actions plan and website <u>https://www.surveymonkey.com/r/R2BXGCN</u>

This survey is for to gather how you feel about the US zones not being a part of the delegation stream but as a body just doing service with willing members to do service on a different level.

The task group for looking at the pros and cons of the merger of the eastern us zones is on hold and didn't meet on April 5th as scheduled.

On April 15th worked with member on updating the NEZF guidelines learning new ways of doing guidelines.

I would like to thank everyone who attended our GSR assembly and to those groups and members who took the time to have a voice in our fellowship and giving your delegate information to represent us at the conference.

12:06 **<u>Regional Delegate 2 Report</u> –** David H.

4/16/2023

As has been previously reported the delegate team put on three CAR/CAT workshops and has been in preparation for the WSC in CP webinars and communications from the WB and the WSO.

At the last Autonomy Zonal Forum, I was elected Zonal Contact for the AZF. This allows me to attend the conference participant webinars and have access to the dropbox, which I would not ordinarily have as the second alternate. As the Zonal Contact, I represent the Zone at the USMOZ, which Sherry has already reported on, and the Virtual Meeting of Zones. At the VMOZ meeting in late March, we discussed the upcoming Unity Day, which is the day before the WSC opens. In the spirit of unity, each of the four workshops will be facilitated by multiple zones, on topics including: CBDM on Mars (by WSZF, PSZF, MZF); Strength in Diversity (EDM, CANA); Turning on the Flame of Service (LAZF, BZF); and Personal Recovery depends on NA Unity (NEZF, RMZF, SZF, AZF, SEZF).

Finally, I'm looking forward to participating virtually in my first full length WSC.

ILS, David H.

12:13 VRCC Report – Michelle M.

Hello Family,

The VRCC met in March, with no bid for the 2024 AVCNA, we had the opportunity to discuss the adhoc subcommittee, the May retreat, and some motions were presented.

The VRCC was approached by an area wishing to host a history convention in 2024 as a fundraiser for the AVCNA. A motion was presented to the body to allow this area to use the VRCC's 501 C-3 not for profit status and for us to sign a hotel contract, the motion failed.

A motion was presented to centralize the AVCNA to 3 areas on a rotation between Richmond, Va. Beach, and Roanoke after much discussion the motion was tabled for directors to bring to their areas to elicit area input on the matter.

Our next meeting is typically our retreat, however with no host area the directors voted to have a one day retreat from 9-5 on Saturday May 20th in Charlottesville in person and on zoom.

4/16/23 Roanoke Valley Area of NA report to the Central Atlantic Region of NA

Hello Family,

The Roanoke Valley Area currently has 15 groups with 23 weekly meetings. The H&I currently hosts 4 weekly meetings and one that occurs monthly. We are currently not above prudent reserve and as such I do not have a donation. There is a meeting today (there has been issues with scheduling and holding the meeting for the last 2 months) that will be addressing our current prudent reserve level (area is today as it was moved because of Easter). There has been interest in submitting a bid for the next AVCNA and at this time there has only been discussion and no formal plans put in place yet. Our Policy Chair stepped down at the last area so that is the only vacant position. We had a Speaker Jam, Auction and Karaoke on April 1st. Sadly we lost a long-standing member of our area recently and it has had a big impact on our area.

The RVANA ASC meets the 2 Sunday of every month at 4231 Garst Mill Road, Roanoke, VA 24018.

12:44 Piedmont Report – Brian K. brianjazzmessenger@gmail.com

Hello, Family,

- The Piedmont Area currently has 11 active groups.
- H&I currently has many outreach meetings per week:
 - Boxwood Regional Treatment Facility in Culpeper
 - ACRJ men & women's jail (Zoom based)
 - 5 East at UVA Hospital
 - Mohr Center (men's recovery house)
- Public Relations published its most current meetings list.
- Special Events will host a Spiritual Breakfast on Saturday, April 29. Three hours with two speakers. Location TBD. Erick H. is leading the event.
- Narcotics Anonymous History Convention (NAHC):
 - A motion was made on February 5, 2023, to support a one-day Narcotics Anonymous History Conference (NAHC).
 - Convention is planned for early 2024.
 - This would be a fundraiser for the AVCNA. Intent: Follow the Traditions of Narcotics Anonymous to promote unity and work through the service structure. The proposed event gives members of the Piedmont Area the opportunity to support the NAHC in the process of electing Officers. The Officers will be responsible for contracting with a facility, raising funds, and preparing the program to conduct a Conference themed on the History of NA, as recorded on the East Coast of the USA. Some of the activities that we would like to receive support from the Area include, but are not limited to:
 - Gaining volunteers and support from other Areas of Narcotics Anonymous
 - Providing willing volunteers to serve
 - Assistance in fundraising, as approved by the Area. If passed, this would instruct the Chair to create an ad hoc to report back on the activities of the NAHC.
 - Tee T, Kyle W and Ky L are the current subcommittee members.
 - Fundraising has begun.
 - Details: Currently raffle tickets are being sold @\$5 per ticket for a hotel room for 2 for 2 nights plus 2 registrations to the RACNA 3 (Rappahannock Area Convention) that's being held on 9/15-9/17.
 - Winner will be announced on 7/16 at the BRANA camp out.
 - The Treasury will give \$267 each to CAR-NA and NAWS.

- Regional Motion 219-1
 - o 1 Yea
 - o 1 Nay
 - o 7 Abstain
 - Area votes to: Abstain as it strongly feels there are too many other options, such as Venmo and Zelle, instead of employing a debit card to be distributed to the RD team, to reimburse said RD members for authorized expenses.
- The next PASC meeting is scheduled for 4pm on Sunday, May 7, at the Church Of Our Saviour on Rio Road East in Charlottesville.

12:56 <u>Tidewater Report</u> – Roland C. <u>roland@giindustrial-marine.com</u>

TASCNA ADHOC Service Committee

5-22-2022

Tidewater Area Service Committee Narcotics Anonymous at its monthly meeting date May 22, 2022 adopted a motion by a vote of 10 yes with 2 abstentions to expand the Secretary's abilities to conduct business as the executive in the absence of a sitting Chair or Vice-Chair. This motion also created for what could be the first time an ADHOC committee to explore ways and means to increase service committee members for both scheduled elections and unexpired term acclamations. This ADHOC Service committee was immediately joined on its 1st day by ironically by 12 trusted servants who already serving in some way or another offered yet again their service willingly to address the "Lack of participation" in our fellowship structure which affect our very primary purpose "to carry the message to the addict who still suffers". We do what we do for personal development and as a benefit that no addict seeking recovery need ever die yet in the many well established and traditionally necessary positions of strength in our society that is crumbling. They walk amongst us, "good sharing addicts" whose quality of life is on upward bounds. Some trajectories so steep, we hear it often "I don't have time to do service". That is not and never has been our message in keeping what we have learned. "We keep what we have, by giving it away" and in order to do that we have to position ourselves accordingly, not to say positioning is second nature to us however consider the alternative if no one is there nothing gets said or done. Unfortunately, that is where we are now headed. Before the nuclear implosion that threatens our very existence succeeds, it is our hope that this service committee find the more vigorous applications available to refer, attract, recruit, solicit and or draft the many qualified future servant who may not know the benefits their contributions can and will make or the speed and which that service rewards those who give it from the start. As a starting point to begin the dialog we will need a date and time to meet briefly to begin the work of the committee. Preferably via zoom on the Area account before or after for maximum effect. Please see the TACNA Open commitments current prior to June elections:

- Vice Chair
- Assistant Treasurer
- Policy Chair
- Assistant Secretary
- Alternate RCM
- Alternate VRCC Director
- Special Events Chair
- Literature Chair

Minutes concerning the activities of this committee will continue to be taken by a member and read to area until it is formatted functioning and certain assignments are reassigned to others.

<u>Tri-Cities Report</u> – ABSENT End of Area reports by RCMs

No new business.

1:07 Old business: Discussion of debit card motion. Returning to the Areas.

219-1 Debit Card Motion

Motion Maker: Roland C., Tidewater RCM

Second: Greg H., Roanoke Valley RCM

Motion: To amend Policy to allow the Treasurer to order and distribute debit cards to the RD Team only and transfer approved budgeted item request.

Intent: To change Policy to allow Treasurer to order debit cards for the RD Team budgeted item request. **Needs to be voted on.**

Pro: Would make <u>service work</u> in a Regional position a more *inclusive* endeavor.

Pro: Since travel expenses can run several hundred dollars for a weekend of NA service, trusted servants can have the financial backing of the Region to cover pre-approved travel costs.

Pro: Would be extremely helpful for members who cannot truly afford it.

Pro: Would be like a prepaid card, where the only amount on the card can be used. Con: Policy needs changed.
